July/August 2017

[Next Meeting](#)
Monday 14 August 2017
Caloundra City School
6.30pm

It has come to our attention that people are still leaving valuables in their motor vehicles, whether parked at shopping centres or at home, including unlocked vehicles in garages. This continues to be a target for would be thieves. **Remember to remove all valuables and LOCK YOUR CAR.**

Garage doors left open, while the occupants are at the rear of their property also provides an opportunistic situation for would be offenders.

We have secured a Guest Speaker for our next meeting on 14 August. Mr Michael Siddons from ADT Security, an installer for ADT Security Alarm and Camera Systems, will talk to us about options for securing our homes.

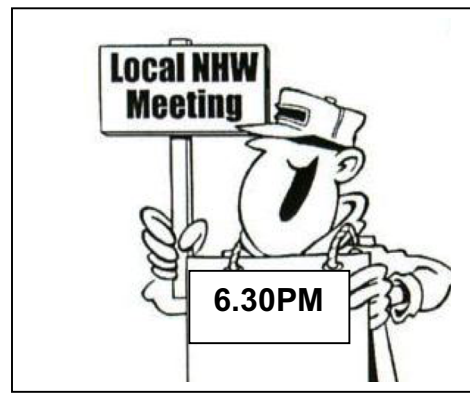

Following a spate of break and enters in the Golden Beach/ Pelican Waters area's in the last few months it is recommended that all homeowners have a Security Audit completed on their residence. You can arrange this through the Sunshine Coast Crime Prevention Unit by emailing a request to: DCPCSunshineCoast@police.qld.gov.au.

The Neighbourhood Watch Qld State Conference is scheduled for Saturday 7 October 2017 and is to be held at the Beenleigh Events Centre, Logan District.

Our next meeting is at 6.30pm on 14 October at the Caloundra City Private School, PELICAN WATERS (Qld).

WHAT TO REPORT

Sometimes it can be confusing to know what and when to report.

Below is a list of examples of suspicious behaviours; if you see similar activities occurring, we recommend that you call and report it to Police.

- A person carrying property; such as electronic equipment, stereo, office equipment, or a locked bike, at an unusual time or location.
- Someone going door to door in a residential area without the appropriate identification or a vehicle cruising the streets repeatedly. This person may be looking for an opportunity to steal unattended property from unsecured homes.
- Anyone forcing their way into a locked vehicle: especially at night.
- Transactions being held at a vehicle or a high volume of traffic going to and coming from a home on a daily basis.
- One or more people sitting in a parked car checking out the area; they may be lookouts for a possible crime in progress, or planning a crime in the future.
- Someone being forced into a vehicle; this may be domestic violence or an abduction.
- A person showing unusual mental or physical symptoms; they may be injured, have been in an accident, be under the influence of illegal drugs or prescribed medications, or need other medical or psychiatric help.
- Unusual noises: alarms, gunshots, yelling, fighting sounds, dogs barking incessantly.
